

## NATIONAL CENTER FOR EDUCATION STATISTICS

### Fiscal Surveys Newsletter – Vol. 4 No. 6 – July 2005

#### **SUMMER DATA CONFERENCE: Schedule Changes**

The CCD Fiscal and Nonfiscal awards will be handed out to data coordinators at a joint CCD session upon the completion of training sessions on Wednesday, July 27. All NCES CCD staff, Census Bureau staff, and state respondents will convene at 4:00 in the Grand Ballroom.

Also remember that there is no New Coordinator training this year. All fiscal coordinators are invited to both the morning and afternoon sessions.

#### **Revised Agenda**

8:30 – 12:00 CCD Fiscal Training  
12:00 – 2:30 Lunch and Opening  
Session  
2:30 – 3:30 CCD Fiscal Training  
4:00 – 5:00 Combined CCD  
Session

#### **CROSSWALK**

All Crosswalk states will be submitting their NPEFS reports through the Web application by means of a transfer of data within the Crosswalk software (FILE>transfer to server). This procedure allows respondents to access the new FY 2004 on-line editing processes before submitting their final data.

Crosswalk states that have already submitted their FY 2004 NPEFS reports should also follow-up by sending in their state's database via FTP or E-mail. The database referred to is the ST\_xwalk98.mdb database located in the target directory (where the ST = your state's two letter abbreviation.)

#### **F-33 DATA SUBMISSIONS**

All but 10 states have submitted F-33 data for FY 2004. Thank you to those who recently submitted files. We received several in June and will be in contact with the remaining non-respondents. We are in the process of editing data in about half the states, so be on the lookout for F-33 related e-mails during the next month. Your quick responses will ensure we deliver preliminary and final files to NCES in a timely manner.

#### **F-33 FORM CHANGES**

First, the good news...there will be no changes to the F-33 form for FY 2005. Now the better news...The F-33 form will, however, be updated and improved for FY 2006. Tentative plans are to add three Local Revenue items (really a breakout of U97 - Other Local Revenue), slight changes to Federal Revenues, and updated definitions and instructions. If you have suggestions or concerns about the FY 2006 form, please send us an e-mail.

#### **STAFF ANNOUNCEMENT**

We would like to welcome Crecilla Cohen to our Census Bureau F-33 staff. You will be able to meet her at the 2005 Summer Data Conference.

#### **FY 2004 STATE AWARDS**

The awards criteria for FY 2004 are listed below. These awards are presented to state coordinators at the July 2005 Data Conference.

*States with 9 points or higher win an award.*

*Submit NPEFS in March (5)  
Submit F-33 in March (5)*

*Submit NPEFS in April (4)  
Submit F-33 in April (4)*

*Submit NPEFS in May (3)  
Submit F-33 in May (3)*

*Submit NPEFS in June (2)  
Submit F-33 in June (2)*

*Send in more than 2 submissions (scores halved)*
